

Suggested Reading List for Year 3

Sarum Hall, Sept 2014

This is a selection of books that have been enjoyed by girls in Year 3 and are suitable for this age group. Many of the authors have written other books, but not all of these may be appropriate for girls of this age, as those given here. Some of the texts are more difficult to read than others so care should be taken when choosing those your daughter may enjoy. Please discuss the books she reads with her and remember that it is also important to continue to read stories to her as she moves through the school.
